

### **Possible Titles for the Fifth Indiana Jones Movie**

by Baron von Funny

Disney recently announced plans to release a fifth Indiana Jones movie on July 19, 2019, just a few days after Harrison Ford, the franchise's star, turns 77 years old. After *Raiders of the Lost Ark*, *Indiana Jones and the Temple of Doom*, *Indiana Jones and the Last Crusade*, and *Indiana Jones and the Kingdom of the Crystal Skull*, what might a fifth installment featuring a geriatric Indy be called?
